### • The Making of an Exhibition: An Illustrated Lecture by Bill Withuhn

### Smithsonian Curator Visits Kennebunk

The Brick Store Museum and [The Seashore Trolley Museum](#) will host Smithsonian curator Bill Withuhn for an illustrated talk, *The Making of an Exhibition* on Saturday, March 12 at 7 p.m. Fees for the lecture are \$7 for the general public and \$5 for members of either the Brick Store Museum or the Trolley Museum. Refreshments will follow the speaking program.

Many people never think about what goes into crafting a popular museum exhibition. In his illustrated talk, Withuhn contributes his own breadth of experience to reveal how great exhibitions come to be. Using examples from a recent blockbuster show, Withuhn explains the balance between education and entertainment, the power of artifacts, and the importance of human stories. Interesting for *all ages*, Withuhn shares anecdotes and provides a fascinating behind-the-scenes look at the creative process from concept to design to finished museum exhibition.

While tickets will be available at the door, advance reservations are strongly recommended.

Each vote translates to grant money which allows the Museum to continue producing quality programs and exhibitions.

The bank's Community Investment Program and the Kennebunk Savings Bank Foundation annually donate significant funds based upon votes from account holders. Last year, this innovative program allocated \$126,000 to more than 140 York County non-profits organizations and charitable groups. Thanks to everyone who voted for The Brick Store Museum in 2004, we received \$2,023 that supported our capacity to deliver new exhibitions and popular educational outreach initiatives.
