Physical Description:

This is a collection of archival materials dating from 1797 through 1877, mostly related to the Bradburys, including deeds, estate inventories and biographies. It also includes material related to the families of Hovey, Walker, Harrison, Gemberling and Palmer. Of special note are a copy of a letter from John Perkins to Captain Fairfield of Kennebunk and three photographs of a Liverpool pitcher with the image on it of *Ulysses*, c. 1806, a Kennebunk ship.

The collection was given to the Brick Store Museum by Dora Verbeyst. Mrs. Gemberling was a Bradbury descendant who lived next door to Dora Verbeyst and asked her to bring it to the Brick Store Museum.
