

Inventory of the G. Robert Butler Collection (Collection #94)

The Brick Store Museum
Kennebunk, Maine

Compiled by R. Magnuson, Archivist
February 2006

Physical Description:

This small collection was given to the museum by G. Robert Butler, husband of the former Curator of Manuscripts at the museum, Joyce Butler. It is his memorabilia from 1951-1955 when he served in the Korean War. The museum has very little information about the Korean War, and this helps to fill the void.

For more information on G. Robert Butler, see also Miscellaneous Collection #63.
