“NAME OUR MOOSE” CONTEST!

There once was a moose—not on the loose—
but rather on the wall in The Brick Store Museum.
He’s BIG, stately and made out of wood...
and placed right where all can see him.

He’s a current favorite in our Maine camp exhibition.
Visitors come up to him with no inhibition!
He’s four feet wide at his antlers’ ends
And just hanging around to make new friends.

We think that our moose deserves a good name,
So come up with the best and enjoy your 15 minutes of fame!

Entries may be submitted through August 19, 2006. Winner will be notified by August 31, 2006 and receive a “moose-y” prize. Winning entry will be made into a nameplate placed by the moose for the duration of the Camp Maine: Rustic Furniture & Accessories, 1860-1940 exhibition.
