Healthy Activities at the Museum

GUIDE

The Museum takes part in these healthy initiatives:

The Museum features a new StoryWalk™ every year! Bring the whole family to take a walk through our courtyard & gardens and read a story!

Michelle Obama's Let's Move! Initiative encourages museums and libraries to get active and offer healthy activities. Watch our website for upcoming events!

**HEALTHY
MAINE STREETS**
Where wellness works

Museum staff take part in Kennebunk's Healthy Maine Streets program! So far, we've added a HEPA vacuum to keep our air clean; we've walked thousands of steps; we've been granted an AED to keep our visitors safe; and we're installing a bike rack to keep you pedaling!

The Brick Store Museum is open year-round! Our hours are:
Tuesday - Friday, 10:00am - 4:30pm and Saturday, 10:00am - 1:00pm

We take part in Kennebunk's ThirdFriday ArtWalk, and will be open every third Friday of the month from June through September from 5 - 8pm (with FREE admission)!

With the help of the Kennebunk Community Garden, the Museum plants our Victory Garden in our courtyard each year. All vegetables produced from the garden go straight to local food pantries to help our neighbors in need.

Visitors to the Museum receive FREE seed packets to start their own Victory Gardens at home—so come visit us!

*New this year! A shade structure sponsored by **Southern Maine Health Care Dermatology** will be open to the public. Enjoy a bag lunch outside, art in the garden, and much more - all while protecting yourself from the sun!*
