Milestones in 2014: The Year in Review

- Over 3,400 visitors attended the Museum in the past year, which is up 10% since 2013.
- Seven new exhibitions and two History Showcases opened.
- The Museum produced 28 separate programs last year – that’s at least two major programs a month!
- 50 volunteers gave a total of more than 3,500 hours; an estimated value of their services, based upon Independent Sector data, comes to over $78,925.00.
- The Museum received a Davis Family Foundation Grant to purchase a new front-end system to track visitation, shop sales, membership purchases, and event registrations.
- The Museum accessioned 58 objects and archival items into its collection in 2014, plus the Joyce Butler Research Collection, generously donated by William Barry medal-winner Joyce Butler.

Thank You to Scott Stevens for his board service!

Scott joined the Board of Trustees in 2012, and has provided advice and direction to strategic museum direction for the past three years.

Scott Stevens joined the Museum’s Board after stepping down as Executive Director of the Museums of Old York after fifteen years in that position. Among the milestones of his tenure were strategic program and financial planning that resulted in more sustainable operations; a successful $3.3 million capital campaign and construction of a visitor and education center; and the restoration of the John Hancock Wharf as a facility for commercial fishermen. His current venture is a consulting firm, Groundroot Preservation Group LLC, an early client of which has been the Peabody Essex Museum. Prior to Old York, Scott directed historical museums in Vermont, New York, and Minnesota. He holds an MA in History Museum Studies from the Cooperstown Graduate Program of the State University of New York in Oneonta and a Master of Arts in Teaching from Brown University. Scott lives in Cape Neddick with his wife Nancy, who teaches French at York High School. They have two adult daughters. Thank you, Scott, for your dedication and service!

Candidates Nominated as Officers, 2015

David N. Moravick, President

David joined the Museum’s Board of Trustees in 2005 and had served for nine years as Treasurer and chair of the Finance Committee, as well as a key member of the Building Planning Committee during the 2006 renovations. He has helped to shepherd the Museum through its re-accreditation process with the American Alliance of Museums, and his organizational skills and creative thinking have contributed to broadening the Museum’s audience and base of support.

David and his family have lived in Granite Point, Biddeford since 1985. He has been a trustee and officer on several boards, including the Kennebunk Rotary, United Way, McArthur Library Association and Trinity Episcopal Church.
Jacquelyn Campbell, Vice-President

Jackie and her family relocated in 1993 to Kennebunk, where they live in an historic home downtown. She has a Master’s degree in Arts and Teaching from Tufts University, and her strong commitment to education is evident by her 11 years as a high school English teacher and subsequent years as a volunteer in the Kennebunk school system. Jackie joined the Museum’s Education Committee in 2007, and in 2008 she joined the Board of Trustees and took on the role of Education Committee Chairperson. This is her third year as Vice-President.

Mark Ross, Treasurer

Mark is Vice President/Retail Market Manager with Kennebunk Savings Bank, managing the Kennebunk offices. He grew up in the area, attending Kennebunk High School and had an intern position with Steve Spofford at KK&W Water District when he was a student. Mark joined our Board at the request of the Executive Committee in 2014. This will be his second year as Treasurer.

Christopher J. Farr, Secretary

Chris became a full-time resident of Kennebunkport in 2001 after 15 years of being a summer and weekend visitor. His career has been in the field of Medical Imaging. He has worked extensively in Canada and the United States, as well as overseas with hospitals in South East Asia, Australia, Africa, and the UK. He also owned and operated The Welby Inn in Kennebunkport. He has a MSc in physics from the University of Toronto in Canada and a BSc from King’s College of the University of London, England. Chris joined the Board of Trustees in 2003 and became its Vice President in 2009. He served as Executive Director of the Brick Store Museum from 2012 to 2014.

Please Welcome Our Mid-Year Trustees:

Robert Job IV

Robert Job has a passion for preserving the past, and joined the Board of Trustees in October 2014. He has been visiting the area for nearly twenty years, and lives seasonally in Kennebunkport with his family. Robert has been involved in numerous community activities over the years, including The Hamilton Wenham Educational Fund, The Boston Food Bank, The Kennebunkport Land Conservation Trust, Trustees of the Reservation, and the Wounded Warrior Project. Robert is Managing Partner and the Head of Distribution of PanAgora Asset Management, based in Boston.

Patricia Schwebler

Patricia Schwebler resides in Kennebunk with her family. She is currently the Financial Solutions Specialist at Norway Savings Bank’s Kennebunk Branch. Previous to becoming a board member, Pat co-wrote and produced the successful “Dear Sarah” play performed at the Museum in 2014. Her work experience includes over a decade of real estate experience in Danbury, Connecticut. Pat has served in several capacities in the community, including as Marketing & Fundraising Chair of Kennebunk High School’s Visual & Performing Arts department; School Budget board member; and board co-chair for Caring Unlimited. Patricia’s passion for the museum comes from her interest in performing arts, historical research, and working for a better community.
We gratefully acknowledge the following donors for their generosity in support of the Museum in all arenas during the 2014 fiscal and calendar year to date. The Museum makes every effort to ensure the accuracy of these listings; should you have a question, please contact the Museum at 207-985-4802.

**ANNUAL FUND**
The Annual Fund is the Museum’s single largest source of unrestricted funding. Each gift forwards the Museum’s ability to fulfill its mission to preserve the rich heritage of the Kennebunks for year-round residents, seasonal visitors and future generations through the collection, preservation, interpretation and exhibition of its material culture. Individual giving levels reflect cumulative gifts to the Museum’s Annual Fund from June 1, 2014 through June 1, 2015.
