

### **Call for Art:**

The new Bauman Family Gallery, located in the Brick Store Museum Program Center, will be opening June 30, 2018. Art exhibits will be featured from June 30, 2018 - December 31, 2018. Future exhibits will be planned for 2019 and onward.

The Bauman Family Gallery invites Maine artists and Maine arts organizations to submit an application to the Brick Store Museum for exhibit consideration. Bauman Family Gallery applications will be available at the Museum entrance desk or online at [www.brickstoremuseum.org](http://www.brickstoremuseum.org).

The applications will be maintained by the Museum for an extended period of time. The Curate Committee will use these applications as a base for their selection of exhibitor(s). Each exhibit will run for approximately 6 weeks.

Our goal for the Bauman Family Gallery is to offer artists the opportunity to display their creations in a professional environment.
