

VOLUNTEER

About the Program:

Volunteers are essential to the Brick Store Museum's mission to ignite personal connections to local history, art, and cultures. Each year, volunteers of every age and talent contribute their skills, perspectives, and life experiences to support the Museum's work. Thanks to their dedication, the Museum is able to offer exceptional programs and events that engage and inspire visitors.

Timing:

Volunteer applications are welcomed on a rolling basis. Due to the time and care it takes to onboard new volunteers, the Museum reviews submissions quarterly (March, June, September, December) and will reach out in the month closely following your application. If you have any questions, or would like to be contacted ASAP, please contact us at info@brickstoremuseum.org or call (207)985-4802.

CONTACT INFORMATION:

Name: _____

Address: _____ City: _____ State: _____ Zip: _____
